

1. HOTEL LOBBY - NIGHT

CUT TO POV SHOT

Camera starts from the luggage and table tilts up to reveal the receptionist table (center part) and the receptionist. Only her back and hair is visible to the camera. She is doing normal work. Music can be heard and receptionist is humming the tune.

A tourist comes to check into a hotel and asks for a room.

TOURIST
Hi one room please?

Receptionist starts talking.

RECEPTIONIST
Sure, and how about your friends?

The tourist turns around, seeing the dead hotel guests. The music is distorted and the lighting changes to red. The hotel is no longer normal.

CUT TO MID CLOSE UPS

What is shown in the shots are starting to be less than normal, showing blood, body parts and scary imagery.

CUT TO POV SHOT

Fast cutting between the normal lobby and scary lobby.

CUT TO CLOSE UPS

Close up of tourist face, looking confused/scared. He rubs his eyes.

CUT TO POV SHOT

Then the music is not distorted, and continues normally. Mysteriously, the hotel goes back normal. Receptionist calls him and says.

RECEPTIONIST
Here's your room key.

CUT TO SHOT BEHIND TOURIST

Tourist is visibly shaken, takes key from receptionist and quickly walks away.

Receptionist says 'Bye', then turns around. She looks disfigured with burns and says 'enjoy your stay' in a demonic voice.
